Synthetic aperture radar and passive microwave sensing 25-28 September 1995, Paris, France, Giorgio Franceschetti, Centre national d'Études spatiales (France), 1995, , 496 pages. .

High resolution radar cross-section imaging , Dean L. Mensa, 1991, Technology & Engineering, 270 pages. This book has been produced as part of the Artech House In-Print-Forever (IPF) program. IPF books are copies of previously printed Artech House books, now available exclusively

Multichip modules international conference and exhibition, 13-15 April 1994, Denver, Colorado, International Society for Hybrid Microelectronics, Semiconductor Equipment and Materials International, International Electronics Packaging Society, Institute for Interconnecting and Packaging Electronic Circuits (Northbrook, Ill.), 1993, , 719 pages. .

Introduction to Synthetic Aperture Radar (Sar) Polarimetry , Wolfgang-Martin Boerner, Dec 30, 2007, , 76 pages. The author presents a comprehensive overview of the basic principles of radarpolarimetry in this volume. (Technology Industrial Arts).

Image processing, signal processing, and synthetic aperture ..., Volume 3217 22-26 September 1997, London, UK, Jacky Desachy, Shahram Tajbakhsh, 1997, Computers, 456 pages. .
